SNEPCo Uplifts St. Kizito Clinic

For a moment, doctors and nurses at a charity medical facility, St. Kizito Clinic in Eti-Osa Local Government Area of Lagos State, became choristers as they sang in appreciation of a wide-ranging intervention by the Shell Nigeria Exploration and Production Company (SNEPCo). Working on behalf of itself, Co-venturers and NNPC, SNEPCo renovated buildings and donated an ambulance, furniture and medical equipment. A joint team from SNEPCo and NAPIMS, a subsidiary of NNPC recently visited the hospital to commission the projects.

Here are the highlights of the visit.
